Dear Sir/Madam:

Applicant's attorney submits herewith Form PTO-1449, "Supplemental Information Disclosure Statement" by Applicant. A copy of each of the disclosed patents and other references listed as other documents Nos. 104-108 is not being submitted herewith, because under Rule 37 C.F.R. § 1.98(d) this art was previously cited by the Examiner and/or the Applicant in connection with U.S. Serial No. 09/491,500, filed January 26, 2000. This previously filed Application was cited by applicant in this present Application per 35 U.S.C. § 120.

The information disclosed herein includes literature cited in the International Search Reports (ISRs) in the related PCT Application Nos. PCT/US01/02743 and

PCT/US01/02742 (both ISRs were mailed April 26, 2002), and which literature was not already provided by Applicants in a previous Information Disclosure Statement.

The filing of this Supplemental Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists (37 CFR 1.97(h)). Further, the filing of this Supplemental Information Disclosure Statement shall not be construed as an admission against interest in any manner.

It is believed that this Supplemental Information Disclosure Statement is being filed after the mailing of a first office action on the merits. The Commissioner is hereby authorized to charge \$180.00, the fee required under 37 C.F.R. § 1.17(p), or any other fee required or credit overpayments under 37 C.F.R. 1.16 or C.F.R. 1.17 to Deposit Account No. 50-1597.

Respectfully submitted,
